The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Belding Wastewaters System Improvements Project in fiscal year 2025. The intended recipient is the City of Belding located at 120 S. Pleasant Street, Belding, MI 48809. The funding would enable the City of Belding to complete necessary improvements to its wastewater treatment plant. The project is an appropriate use of taxpayer funds because it would help Belding complete updates required by the State of Michigan to address its failing lagoon system and per- and polyfluorinated substances.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this important matter.

Sincerely,

JOHN MOOLENAAR
Member of Congress
