The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Casnovia Township Fire Station Replacement Project in fiscal year 2025. The entity to receive funding for this project is Casnovia Township, located at 245 Canada Road, Casnovia, MI 48858. The funding would be used to construct a facility necessary to adequately house tanker and pumper trucks that individually hold 1500 gallons of water. The project is an appropriate use of taxpayer funds because the Casanovia Township Fire Station is over 70 years old and does not meet the current needs of the community. Casnovia Township does not have fire hydrants, so the ability to house these trucks is crucial to the safety of the community.

The project has a Federal nexus because it is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this important matter.

Sincerely,

JOHN MOOLENAAR
Member of Congress
