The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Mason County Road Commission Facility Project in fiscal year 2025. The entity to receive funding for this project is the Mason County Road Commission located at 510 East State Street, P.O. Box 247, Scottville, MI 49454. The funding would construct a new operational facility for the Mason County Road Commission. The project is an appropriate use of taxpayer funds because the Mason County Road Commission facility is 85 years old and has aged to the point of being an unsafe work environment. This project would allow the Commission to better serve the public while also protecting the investments of the taxpayers and allowing quick response times in emergencies and inclement weather conditions.

The project has a Federal nexus because it is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this important matter.

Sincerely,

JOHN MOOLENAAR  
Member of Congress
