The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Cadillac PFAS Management Project – Phase 1 in fiscal year 2026. The intended recipient is the City of Cadillac, located at 200 N Lake St, Cadillac, MI 49601. The funding would enable the City to connect 150 properties utilizing private wells found to contain high PFAS levels to the City's municipal water system. The connection of these PFAS impacted properties to the City water system is critical to preserve the public health of the community, and is therefore an appropriate use of taxpayer funds.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this important matter.

Sincerely,

JOHN MOOLENAAR
Member of Congress
