Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of Coleman Sanitary Sewer Infrastructure Improvements in Fiscal Year 2027. The entity to receive funding for this project is the City of Coleman, located at 201 East Railway Street, Coleman, MI 48618. The funding would be used for completing critical upgrades to the sanitary sewer lift station that serves its Industrial District. This project is an appropriate use of taxpayer funds because the existing lift station serving Coleman's Industrial District is aging and increasingly vulnerable to mechanical failure.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

JOHN MOOLENAAR
Member of Congress
