Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Lake Mitchell Sewer Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the Lake Mitchell Sewer Authority, located at 3161 South Lake Mitchell Drive, Cadillac, MI 49601. The funding would be used for the rehabilitation of 54 existing grinder pump stations to include new pumps, piping, valves, controls, fittings, interior and exterior discharge lines. This project is an appropriate use of taxpayer funds because the failing/deteriorated sewer infrastructure, if not repaired soon, has the potential to further impact other areas in Michigan.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

JOHN MOOLENAAR
Member of Congress
