Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Saranac Department of Public Works Facility Development Project in fiscal year 2027.

The entity to receive funding for this project is the Village of Saranac, located at 27 North Bridge Street, PO Box 312, Saranac, Michigan, 48881. The funding will be used to address substantial deficiencies in the municipality's existing public works buildings, increasing municipal efficiencies and allowing the new facility to serve as the operational backbone of the Village's essential services.

This request is an appropriate use of taxpayer funds because the new facility will improve the Village's ability to deliver essential services such as snow removal, street maintenance, and water and sewer operations more efficiently and reliably.

The project has a Federal Nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

JOHN MOOLENAAR
Member of Congress
